CHELTENHAM RUGBY CLUB
END OF SEASON LUNCH

End of Season Lunch Saturday 27th March at 12.30 for 1pm at POW
First XV v High Wycombe. KO 3pm

Dear Supporter

We are having our usual 'End of Season' lunch, on Saturday 27th March, prior to our last home league game of the season. The match promises to be a very tense and competitive affair, with High Wycombe lying second in the league at the moment. The 'P' word is now discussed quite openly and by the 27th March it could also be a day for celebrating! **This is an 'unmissable' event.**

I am sure you agree that our First XV squad have played some exceptional entertaining rugby this season and deserve everyone's support on this occasion.

Our very own 'Celebrity' Chef, Sandra Pritchard, formerly with Buckland Manor Hotel, will be preparing a two course lunch for us. The price will be £15 and partners are most welcome. Tickets are now available for sale. **Please try and arrange a table of 8/10 persons.**

Described by the Rugby Football Union as 'outstanding projects', the Club has been given three awards in Community Links, More Referees and Fundraising by the President of the RFU, in this years Recognition Awards. This is a fantastic achievement for one Club and we will be having an award ceremony after the end of the season. (Check website for more details)

Please try and attend this lunch and complete and return slip below or telephone David Evans (tel 07970 713585)
